Re: Provider #352
Operating Certificate #161211543
PRU #1203

Dear Ms. Siemer:

Operating Certificate #161211543 is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) pursuant to the New York State Mental Hygiene Law. This Operating Certificate renews authorization for The Young Men's Christian Association of Long Island, Incorporated to operate a Part 822-4 chemical dependence outpatient service at 4949 Expressway Drive North, Ronkonkoma, and including the certified sites listed on the Operating Certificate Addendum, effective December 31, 2013.

The three year term of the Operating Certificate is based on the scores identified on the attached *Operating Certificate Renewal Compliance Summary Sheet.*

The Young Men's Christian Association of Long Island, Incorporated is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

Subsequent to this renewal, an Amendment authorizing the relocation of services was processed which supersedes the renewal. Issuance of an Amendment normally requires the return of the original copy of the previous Certificate. In this instance, rather than sending the original copy of the renewed Certificate and then asking for it to be returned, we are enclosing only a copy of the renewal for your records. The Amended Operating Certificate is enclosed separately.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

Sincerely,

Janet L. Paloski
Director
Bureau of Certification and Systems Management
