Re: Provider #70300
Operating Certificate #180212013
PRU #90821

Dear Ms. Alonge-Coons:

Operating Certificate #180212013 is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) pursuant to the New York State Mental Hygiene Law. This Operating Certificate renews and amends the authorization for Rensselaer County Department of Mental Health to operate a Prevention Counseling service at 1600 7th Avenue, Troy, and including the certified site(s) listed on the Operating Certificate Addendum, effective March 1, 2016.

The amendment is based on provider request to remove Turnpike Elementary School and Algonquin Middle School, and add Goff Middle School.

In addition, we have changed Drug-Free Prevention Certificates of Approval to Prevention Counseling Operating Certificates. Therefore, Certificate of Approval # 110101004 is no longer valid.

The two year term of the Operating Certificate is based on the scores identified on the attached *Operating Certificate Renewal Compliance Summary Sheet.*

Rensselaer County Department of Mental Health is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

This Operating Certificate is to be prominently displayed at the service site.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

Sincerely,

Janet L. Paloski
Director
Bureau of Certification and Systems Management
