Re: Certificate of Approval #10020672

Dear Mr. Pettinato:

Enclosed is the above-referenced Certificate of Approval which amends and renews the authorization of Greenwich Village Youth Council, Inc. to operate Section 1030.3 drug-free prevention services for three years.

The amendment is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) based on the review and approval of Certification Application # 2006-136, to relocate from 268 Mulberry Street (1<sup>st</sup> Floor) to 345 East 15<sup>th</sup> Street (5<sup>th</sup> Floor), New York.

This renewed Certificate of Approval is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) based on recertification protocols established in accordance with OASAS regulations. The renewal process includes an on-site regulatory compliance review of case records, service management, and facility requirements and general safety; as well as a provider fiscal viability review, if applicable. The resulting compliance ratings serve as the bases for the Certificate of Approval renewal term, up to a maximum of three years, as indicated on the enclosed Compliance Summary Sheet. In addition, Greenwich Village Youth Council, Inc. is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

Each provider operating an OASAS-certified site must display a current Certificate of Approval on-site in a location visible to the public. *Please examine the Certificate of Approval carefully and contact the Bureau of Certification by June 4, 2007, if the Certificate of Approval does not accurately reflect your services and/or locations.*

Sincerely,

Virginia Martin

Director, Bureau of Certification
