Re: Certificate of Approval #120400884

Dear Ms. Williams:

The enclosed Certificate of Approval renews the authorization of Elmcor Youth & Adult Activities, Inc. to operate Section 1030.3 drug-free prevention services for three years.

This renewed Certificate of Approval is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) based on recertification protocols established in accordance with OASAS regulations. The renewal process includes an on-site regulatory compliance review of case records, service management, and facility requirements and general safety; as well as a provider fiscal viability review, if applicable. The resulting compliance ratings serve as the basis for the Certificate of Approval renewal term, up to a maximum of three years, as indicated on the enclosed Compliance Summary Sheet. In addition, Elmcor Youth & Adult Activities, Inc. is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

Each provider operating an OASAS-certified service must display a current Certificate of Approval on-site in a location visible to the public. *Please examine the Certificate of Approval carefully and contact the Bureau of Certification by June 23, 2009, if the Certificate of Approval does not accurately reflect your services and/or locations.*

Sincerely,

Virginia Martin
Director, Bureau of Certification
