PRU #8048

Dear Dr. Nagler:

Operating Certificate #170110523 is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) pursuant to the New York State Mental Hygiene Law. This Operating Certificate renews authorization for Beth Israel Medical Center to operate a Section 816.8 medically supervised outpatient withdrawal & stabilization service, with the use of methadone, at 1-9 Nathan D. Perlman Place, New York, effective February 1, 2014.

The three year term of the Operating Certificate is based on the scores identified on the attached *Operating Certificate Renewal Compliance Summary Sheet*.

OASAS received Beth Israel Medical Center's letter dated January 29, 2014, indicating that no changes have been made to the currently approved Medical Detoxification Protocols. Please refer to Local Services Bulletin No. 2010-01, OASAS Policy Regarding Medical Detoxification and the Use of Medications (2/11/10), prior to making modifications in these protocols.

Beth Israel Medical Center is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

This Operating Certificate is to be prominently displayed at the service site.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

Sincerely,

Janet L. Paloski
