Re: Provider #30560
Operating Certificate #171211025
PRU #s 51057 and 52735

Dear Dr. Leonard:

Operating Certificate #171211025 is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) pursuant to the New York State Mental Hygiene Law. This Operating Certificate renews authorization for State University of New York at Buffalo to operate a Part 824 Specialized Services at 1021 Main Street, Buffalo, effective January 1, 2016.

The two year term of the Operating Certificate is based on the enclosed ***Provider Attestation for Recertification***.

State University of New York at Buffalo is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

This Operating Certificate is to be prominently displayed at the service site.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

Sincerely,

Janet L. Paloski
Director
Bureau of Certification and Systems Management

---	--

As a duly appointed representative of the University at Buffalo-State University of New York-Research Institute on Addictions (RIA), I attest to the following information in order for the program to become recertified by the New York State Office of Alcoholism and Substance Abuse Services (OASAS). I hereby attest that RIA:

- has written policies, procedures and research protocols which govern the provision of services within the context of research;
- complies with OASAS Part 815 Patient Rights regulation when selecting subjects for participation in any research project or activity;
- employs adequate staffing and supervision for each clinical trial protocol;
- maintains documentation which evidence the modes and methods of treatment within the clinical trial for each patient;
- maintains individual case records with regard to 42 CFR Part 2;
- complies with OASAS Part 836 Incident Reporting regulation;
- makes appropriate referrals to the recommended level of care for individuals who are ineligible for services at RIA; and
- complies with OASAS physical plant standards as identified in Section 814.3.

I hereby attest to the accuracy of the above stated information. Filing a false instrument may affect the certification status of your program and potentially result in criminal charges.
