Re: Operating Certificate #151211363 [Amended]

Dear Mr. Patterson:

Operating Certificate #151211363 [Amended] is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) pursuant to the New York State Mental Hygiene Law. This Operating Certificate amends the authorization for Bon Secours Community Hospital to operate a Part 818 chemical dependence inpatient rehabilitation service at 160 East Main Street, Port Jervis, effective May 8, 2013.

The amendment is based on OASAS' receipt of a copy of Bon Secours Community Hospital's most recent Joint Commission (TJC) survey. The expiration date of this Operating Certificate has been amended to coincide with the expiration date of your current TJC certification.

Bon Secours Community Hospital is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

This Operating Certificate is to be prominently displayed at the service site. Pursuant to 14 NYCRR §810.17, the previously issued Operating Certificate (original document) must be returned to OASAS' Bureau of Certification immediately.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

Sincerely,

Janet L. Paloski
Acting Director
Bureau of Certification and Systems Management
