Dear Mr. Lundquist:

Operating Certificate #160911704 is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) pursuant to the New York State Mental Hygiene Law. This Operating Certificate renews authorization for HealthAlliance Hospital Mary's Avenue Campus to operate a Section 816.6 medically managed withdrawal & stabilization service, with the use of methadone, at 105 Mary's Avenue, Kingston, effective January 12, 2014.

The term of the Operating Certificate is based on the term of HealthAlliance Hospital Mary's Avenue Campus's current Joint Commission (TJC) accreditation.

OASAS received HealthAlliance Hospital Mary's Avenue Campus's letter dated January 21, 2014, indicating that no changes have been made to the currently approved Medical Detoxification Protocols. Please refer to Local Services Bulletin No. 2010-01, OASAS Policy Regarding Medical Detoxification and the Use of Medications (2/11/10), prior to making modifications in these protocols.

HealthAlliance Hospital Mary's Avenue Campus is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

This Operating Certificate is to be prominently displayed at the service site.
