Dear Ms. Carrion:

The enclosed Operating Certificate authorizes New York State Office of Children and Family Services to operate Part 824 specialized services located at 419 Spookrock Road, Claverack. This new Operating Certificate (#130911788) is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) based on review and approval of Certification Application #2012-086, effective October 9, 2012. Since New York State Office of Children and Family Services is no longer operating the certified Part 819 chemical dependence intensive residential rehabilitation service at the above location, Operating Certificate #120311236 is no longer valid. Pursuant to 14 NYCRR Section 810.17, the Operating Certificate (original document) must be returned to OASAS immediately.

OASAS has a Technical Assistance Unit that can support your efforts to attain and maintain established standards as well as implement efficient and effective management practices. To access technical assistance, please contact Ilyana Meltzer, Technical Assistance Unit, at (518) 485-2252.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

Sincerely,

Janet L. Paloski
