Re: Provider #19900
Operating Certificate #170611802 [Amended]
PRU #52684

Dear Rev. Troia:

Operating Certificate #170611802 [Amended] is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) pursuant to the New York State Mental Hygiene Law. This certificate amends the authorization for Project Hospitality, Inc. to operate a Section 816.9 medically monitored withdrawal & stabilization service at 75 Vanderbilt Avenue, Staten Island, effective November 14, 2016. The amendment is based on review and approval of Certification Application #2016-062, for a minor relocation from 4th Floor, E & F Wings, 75 Vanderbilt Avenue, Staten Island to 1st Floor, F Wing, 75 Vanderbilt Avenue, Staten Island.

Project Hospitality, Inc. is responsible for complying with applicable building occupancy limitations and securing any necessary approvals from other governmental entities.

This Operating Certificate is to be prominently displayed at the service site. Pursuant to 14 NYCRR §810.17, the previously issued Operating Certificate (original document) must be returned to OASAS' Bureau of Certification immediately following the effective date.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

The Bureau of Certification and Systems Management has recently made significant changes to our application review process and we are very interested in your experience with the new process. Please take a few moments to complete the attached **Chemical Dependence Certification Process Satisfaction Survey**, as your feedback will help with continued improvement.

Sincerely,

Janet L. Paloski
Director
Bureau of Certification and Systems Management
