Dear Ms. Bissonette:

The enclosed Operating Certificate authorizes Cazenovia Recovery Systems, Inc. to operate a Part 819 chemical dependence community residential service located at 2025 Broadway, Buffalo. This new Operating Certificate (#151011821) is issued by the Office of Alcoholism and Substance Abuse Services (OASAS) based on review and approval of Certification Application #2014-042, effective November 1, 2014. Since the emergency Operating Certificate for Cazenovia Recovery Systems, Inc. is no longer valid, pursuant to 14 NYCRR Section 810.17, the Operating Certificate (original document) must be returned to OASAS immediately.

The Mental Hygiene Law requires services to be operated in accordance with the terms of the Operating Certificate. Therefore, please carefully examine this certificate and notify the Bureau of Certification immediately if it contains any inaccuracies.

The Bureau of Certification and Systems Management has recently made significant changes to our application review process and we are very interested in your experience with the new process. Please take a few moments to complete the attached **Chemical Dependence Certification Process Satisfaction Survey**, as your feedback will help with continued improvement.

Sincerely,

Janet L. Paloski
