Welcome To The Electronic Certificate of Need System

Use this site to find information about pending and closed submissions to establish and/or construct health care facilities and home care agencies or to modify their services. If you are authorized to submit or update CON applications and other submissions on behalf of a facility or home care agency, you may also use this site for those purposes.

Please note that much of the information contained within NYSE-CON is provided by applicants, and much of it is historic information that may no longer be accurate or complete. While all attempts are made to provide accurate, current, and reliable information, the Department of Health recognizes the possibility of human and/or mechanical error and that information captured at a point in time often becomes obsolete.
