

INSTRUCTIONS

Group Counseling Participation Record

PURPOSE

The Group Counseling Participation Record (PAS-67) is utilized for recording the progress of each individual participant assigned to group counseling services. This form must have a corresponding PAS-67A.

ENTRIES

Item 1

Self-Explanatory

Item 2 - Group Code, if any

Enter any name or number used to identify this group.

Item 3 - Participant Name/I.D.

Enter the name and/or identification number of each participant assigned to the group.

Item 4 - Dates of Contact

Record the date of each group session held during the month in the heading. Place an "X" in the column for each session attended by each participant.

Item 5 - Individual Progress Notes

Record the progress achieved by each participant on each behavior cited in the initial Participant Services Plan (PAS-65) or Services Plan Update(s) (PAS-65A).
