

# HIDDEN FENTANYL KILLS

# I DIDN'T SEE IT COMING

**Fentanyl can be hidden in heroin,  
cocaine, pills and other drugs.  
You won't know it until it's too late.  
Anyone who uses illegal drugs is at risk.**

## **SAFETY TIPS**

- **Talk to loved ones** about the dangers of illegal drugs.
- **Avoid mixing drugs**, including pills, alcohol and others.
- **Carry Naloxone** to reverse an overdose and save a life.
- **If you see an overdose**, call 911.
