

OASAS MISSION

To improve the lives of all New Yorkers by leading a comprehensive premier system of addiction services for prevention, treatment, and recovery.

VISION

A future where New York State is alcohol safe and free from chemical dependence and compulsive gambling.

OVERVIEW

The New York State Office of Addiction Services and Supports (OASAS) oversees one of the nation's largest addiction services systems with hundreds of prevention, treatment and recovery programs. OASAS chemical dependence treatment programs assist thousands of people a day and hundreds of thousands of people every year.

Bringing Opportunities Together

OASAS IS COMMITTED TO PROVIDING OPPORTUNITIES TO CERTIFIED MWBEs

Consistent with the Governor's Executive Order 8, the New York State Office of Addiction Services and Supports (OASAS) is committed to providing Minority-Owned and Women-Owned Business Enterprises (MWBEs) with opportunities to sell their products and services to New York, in accordance with State law and regulations.

The State's procurement process is instrumental in supporting the OASAS mission and vital agency operations and activities.

Each year, OASAS contracts with private-sector firms for products and services using preferred sources, Office of General Services centralized contracts, as well as discretionary contracts, to obtain necessary commodities, technology and services.

HOW TO BECOME MWBE CERTIFIED

One application to submit for all three MWBE certification programs

Empire State Development (ESD), New York City Small Business Services, and the Port Authority of New York and New Jersey have collaborated to make the MWBE certification process even easier. Vendors can now submit one application for all three MWBE certification programs.

Complete the new "One Stop Standard" MWBE certification application, and submit the form with all supporting documentation to Empire State Development.

If qualified, your application will be forwarded to NYC Small Business Services and the Port Authority of NY and NJ for MWBE Certification.

Don't forget to complete the attached addenda for each program, and provide all required supporting documentation.
