MISSION

It is the mission of the Kingsboro Addiction Treatment Center (KATC) to provide excellent alcoholism and other addiction treatment services in a therapeutic environment which helps men and women initiate a recovery process and develop skills and resources to support that recovery after they complete their treatment at KATC.

FACTS

- One of 12 State Addiction Treatment Centers
- Servicing the community since 1965
- 10 Detoxification Beds
- 50 Male Rehabilitation Beds
- 10 Female Rehabilitation Beds
- Criminal Justice Track
- Co-Occurring Disorders Track
- Monolingual Spanish Track

ADMISSION CRITERIA AND PROCEDURES

Questions regarding admission to KATC are directed to our admissions office. When a referral agency calls, the admissions department screens the patient. If appropriate for admission the referent is given a specific appointment for intake, generally within 24 hours of the initial call. A newly established centralized intake system insures immediate admission to any of the Downstate ATCs.

ADMISSION CRITERIA

- Diagnosis of chemical dependency with or without co-occurring mental health disorder
- Inability to remain abstinent outside of a 24-hour facility
- 18 years of age or older
- Agrees to treatment in a non-smoking, vapor-free facility

TREATMENT PROGRAM

Patients accepted into treatment are immediately assigned a case manager. This case manager is the contact person for all aspects of the patient's care. The length of stay is clinically driven and is based on the patient's treatment needs. KATC has separate treatment programs based on gender.
