Dear Prevention Providers:

The due date for 2020-2021 Workplans has been extended to **September 1, 2020**. We hope this extension provides you to an opportunity to evaluate the need for prevention services for youth, families and communities across New York State.

We are truly grateful for your commitment to providing prevention services during this very difficult time. Please feel free to contact us at [prevention@oasas.ny.gov](mailto:prevention@oasas.ny.gov) with any questions.
