CREDENTIALLED ALCOHOLISM AND SUBSTANCE ABUSE COUNSELOR (CASAC) UPGRADE APPLICATION

PURPOSE OF THE CASAC CREDENTIAL

The New York State Office of Addiction Services and Supports (OASAS) is committed to enhancing the quality of services in New York State through the professional development of the Substance Use Disorder (SUD) services workforce. To ensure that counselors who provide direct care in SUD programs are competent and ethical in their work and skilled in meeting the needs of today's society, OASAS issues a professional credential -- the Credentialed Alcoholism and Substance Abuse Counselor (CASAC) -- to individuals who meet specific eligibility requirements and pass appropriate examinations. To ensure continued competence and maintenance of skills, the CASAC must be renewed every three years. In addition, OASAS offers levels of the CASAC based on the SUD Counselor Scope of Practice; CASAC 2, CASAC Advanced Level and CASAC Master Level.

CREDENTIAL UPGRADE PROCESS

Application

This CASAC Upgrade Application may be used in-between renewal periods to apply for a different CASAC level. You may also wait until your next renewal period to request the upgrade at which time there will not be an additional upgrade fee. **This application is only for currently credentialed CASACs requesting a level upgrade outside their usual renewal period.** CASAC-T's or individuals with a non-CASAC credential or with an expired or deactivated CASAC must complete the initial application process. Individuals with inactive credentials must complete the reactivation application.

A completed renewal application and supporting documentation must be submitted to the OASAS Credentialing Unit and your application will be reviewed to ensure that all upgrade requirements have been satisfied. **APPLICATIONS ARE REVIEWED IN THE ORDER THEY ARE RECEIVED.** Based on the findings of the review, your application will be determined to be either incomplete or approved.

It is important to note that processing of recredentialing applications and follow up mail will take priority over processing of upgrade requests. Therefore, the Credentialing Unit asks that you do not contact our office to inquire on the status of your upgrade.

Incomplete Applications

If your application is determined to be incomplete, you will be mailed an Application Review Summary. **Identified deficiencies must be satisfactorily addressed prior to your upgrade being issued.**

Approved Applications

When your application is approved, you will be issued a new CASAC certificate, which will display the new credential level. The issue date on the certificate will be updated, but the expiration date will remain the same.

FEE SCHEDULE

All fees are **non-refundable**. Checks or money orders **must** be made payable to NYS OASAS. Please do not send cash.

\$50 CASAC Upgrade Fee – An upgrade in CASAC level may be requested at any time, as long as your credential is active and in good standing. This fee does not apply if done during the renewal process, only if requested outside the 120 days prior to credential expiration.

The Application, associated instructions, and fees are subject to change without notice.

GENERAL APPLICATION INSTRUCTIONS

These instructions are intended to guide you in completing your renewal application. Please **read** the following **before** preparing your application.

- **Please print legibly in ink.**
