Part 820 Reintegration Frequently asked questions:

**What are the 5+ hours of Rehabilitative services that can be included in the per diem?**

The following are examples of in house services that Part 820 Reintegration providers are documenting through attendance sheets, group, individual and progress notes in patient case record :

- individual or group counseling
- adult living skills development
- employment support
- management of urges, cravings or lapses
- emotional regulation as individuals experiences more community stressors
- skills in accessing services to support social needs that may include support to transition to long term housing, employment and education readiness
- therapeutic recreation,
- peer supports
- medication management support
- care coordination
- discharge planning

**What is considered to be a week for the purpose of billing the per diem rate?**

Sunday through Saturday. However, Residential providers are billing a daily rate and are not required to bill weekly.

**As a designated Part 820 Reintegration provider am I required to contract with and bill Managed Care Plans for the per diem rate?**

Any provider in receipt of State Aide is strongly encouraged to maximize all revenue streams and opportunities for reimbursement of services rendered

<https://oasas.ny.gov/system/files/documents/2022/08/administrative-and-fiscal-guidelines-for-oasas-funded-providers.pdf> (item16 pg.35-36)

**What staff in Reintegration are required for the decision to admit and authorization to bill Managed Care?**

The decision to admit for Part 820 is a QHP for the purpose of billing MCO's you must follow the guidance for Ordering/Prescribing/Referring/Attending (OPRA)

[https://oasas.ny.gov/system/files/documents/2020/12/opra\\_guidance\\_nov.pdf](https://oasas.ny.gov/system/files/documents/2020/12/opra_guidance_nov.pdf)

**Are 2 overnight staff required in Reintegration?**

As Part 820 regulations have not as yet been revised to reflect the need for 2 overnight staff it is our recommendation that the staffing pattern reflect 2 overnight staff but at this time is not a requirement.
