

RFA SETT-23009 Community Prevention Coalitions – Fentanyl, Opioids, RX

Questions submitted by Applicants that were due by 5/17/2023 5:00 PM
Answers to be posted to OASAS Procurement website by approximately 5/22/2023

Q1 Can you tell me if access to the money will be similar to the Special Population Coalition grant *RFA#SUPP 1005 – Prevention* , with monthly approval required before spending 100 dollars or more, or similar to Infrastructure, Workforce and Stabilization with an allocated amount to submit expenses against (reimbursable)

A1 For multi-year projects awardees can expect to receive the total amount divided over the year in quarterly installments and expect to report their spending on the CFR. If the awardee does not spend all the allocated dollars, the subsequent annual total amount will be adjusted from there.
