Training Guidance

Following this guidance can help ensure approval of your required training hours. Please note that OASAS cannot pre-approve trainings. Acceptable trainings must be obtained through a nationally recognized federal, state, or local organization, including ATTC's and PTTC's, examples of nationally recognized trade associations are NAADAC, SAMHSA, or NASW. Note: The Training must pertain directly to the topic required.

➢ Training certificates must include:
- Accreditation through OASAS Education and Training Providers (ETP) or through a federal state or local government agency.
- The signature of the authorized trainer
- The participants name
- The number of hours (must be typewritten)
- The date the training was completed (must be typewritten)
- Trainings obtained from an OASAS approved Education and Training Provider must be approved by the OASAS Learning and Development Unit, listed on the OASAS Training Catalog, and the certificate must be issued using the OASAS Standardized Certificate of Completion (unless otherwise approved by the Learning and Development Unit)
