Free Learning and Development Opportunities

Addiction Medicine Educational Series

This series offers an opportunity for non-traditional training. You may download these courses at: <http://www.oasas.ny.gov/testportal/AMcourses.cfm>. Section determinations for the CASAC and/or CPP/CPS are identified on the Web site for each course.

Addiction Technology Transfer Center (ATTC) Network

Building on a rich history, the ATTC Network continuously strives to improve the quality of addictions treatment and recovery services by facilitating alliances among front line counselors, treatment and recovery services, agency administrators, faith-based organizations, policy makers, the health and mental health communities, consumers and other stakeholders. By connecting them to the latest research and information through activities such as skills training, academic education, online and distance education, conferences, workshops, and publications, the ATTC Network responds to the emerging needs of the field. For more information on training visit: <http://www.attcnetwork.org>. These courses satisfy credentialing requirements.

Center for Practice Innovations at Columbia Psychiatry (CPI)

CPI supports the New York State Office of Mental Health's mission to promote the widespread availability of evidence-based practices to improve mental health services, ensure accountability, and promote recovery-oriented outcomes for consumers and families. Visit <http://practiceinnovations.org/CPI-Initiatives> to access information on the various training initiatives. These courses satisfy credentialing requirements.

Clinical Supervision Foundations

This 14-hour, self-paced course is designed to introduce the terms, topics, and resources essential to clinical supervision. This course is required to participate in the ATTC Network's and OASAS' face-to-face training, Clinical Supervision Foundations, Part II. To access the course: <http://www.healthknowledge.org/> This course satisfies credentialing requirements.

Heroin and Opioid Overdose Prevention Training Sessions

Naloxone (anti-opioid overdose medication) training is available through New York State at OASAS' Addiction Treatment Centers (ATCs) as well as at Department of Health (DOH) registered training programs in local communities. For a schedule of ATC trainings visit:

<http://www.oasas.ny.gov/atc/ATCherointraining.cfm>. For DOH registered programs:

http://www.health.ny.gov/diseases/aids/general/resources/ooop_directory/index.htm. These courses satisfy credentialing requirements.

Learning Thursdays

The Learning Thursdays' Educational Series has completed the transition to a new delivery format. Effective March 2016, participants can access new monthly and archived presentations via the following link:

<http://www.oasas.ny.gov/testportal/LTcourses.cfm>.

Office of Alcoholism and Substance Abuse Services

Learning Thursdays (continued)

This format offers new opportunities and conveniences for participants. After viewing a particular presentation, the individual will access the OASAS Online Training and Test Portal to take the test specific to the presentation that was just seen. Upon successful completion of a test, the participant will be able to print a certificate of completion. These courses satisfy credentialing requirements.

National Center on Substance Abuse and Child Welfare (NCSACW)

On-line self-tutorials that focus on the subjects of substance abuse and child welfare. The tutorials support and facilitate collaboration between the child welfare system, the substance abuse treatment system, and the courts. For more information, go to <http://www.ncsacw.samhsa.gov/training/default.aspx>. These courses satisfy credentialing requirements.

New York State Department of Health (DOH) HIV/AIDS Training

The New York State DOH's Statewide Calendar of HIV/AIDS Training is available on-line at <http://www.hivtrainingny.org/>. These trainings are offered to health and human service providers at no cost and include trainings on: Hepatitis, TB, STDs and other related topics. These courses satisfy credentialing requirements.

New York State Office for Children and Family Services (OCFS)

OCFS offers training for mandated reporters in New York State so that every mandated reporter has the knowledge and skills to be able to effectively report child abuse or maltreatment/neglect to the NYS Child Abuse and Maltreatment Register. For more information, visit <http://www.nysmandatedreporter.org> and select *Courses Offered* from the menu. These courses satisfy credentialing requirements.

New York State Tobacco Control Program

The New York State Tobacco Control Program – New York State Cessation Centers coordinate a collaborative conference call on a bi-monthly basis. These calls focus on key smoking-related topics and feature guest speakers. For more information and registration instructions, visit: <http://www.nysmokefree.com/confcalls/default.aspx>. These conference calls satisfy credentialing requirements.

Substance Abuse and Mental Health Services Administration's (SAMHSA's) Tools for Success: Working with Youth with Fetal Alcohol Spectrum Disorders (FASD) in the Juvenile Justice System

This is a self-paced educational program. It is based on Carlson and Holl's *Tools for Success: Working with Youth with Fetal Alcohol Syndrome and Effects in the Juvenile Justice System Resource Guide* — 2001. The program has been updated to emphasize more recent published literature and terminology. For more information visit: <http://www.samhsa.gov/fetal-alcohol-spectrum-disorders-fasd-center>. This course satisfies credentialing requirements.

Tobacco Recovery Resource Exchange

Integrating Tobacco Use Interventions into Chemical Dependence Services on-line, self-paced, interactive and fun courses: <http://tobaccorecovery.oasas.ny.gov/> Topics include: Assessment, Diagnosis, Pharmacotherapy, Behavioral Interventions and Co-Occurring Disorders. Earn more than 20 hours of credentialing clock hours. These courses satisfy credentialing requirements.

Office of Alcoholism and Substance Abuse Services

Webinar Wednesdays

The Institute for Research, Education and Training in Addictions offers Webinar Wednesdays; a near-monthly free webinar series for addiction and allied health and human service providers, as well as policymakers, advocates and researchers interested in evidence-based approaches to substance use - <http://ireta.org/improve-practice/addiction-professionals/webinars/>. These webinars satisfy credentialing requirements.

If you are aware of additional addiction specific and/or related free learning and development opportunities we would love to learn of these and ask that you submit this information to: training@oasas.ny.gov. Thank you.
