

Office of Alcoholism and Substance Abuse Services

Motivational Interviewing 3

Presented by NYS OASAS

Training Description:

This training will offer an opportunity for Prevention, Addiction, and Mental Health professionals to familiarize themselves with Motivational Interviewing concepts and techniques. In addition, recent "MI-3" updates for this evidence-based therapeutic method will be highlighted.

This training is derived from a Train-the-Trainer opportunity with Doctor William Miller and nationally recognized Motivational Interviewing Network of Training (MINT) trainers.

This training meets established standards for 12 education hours for Credentialed Alcoholism and Substance Abuse Counselor (CASAC renewal), Credentialed Prevention Professional (CPP initial section 4 and renewal), Credentialed Prevention Specialist (CPS renewal), and Social Work credit hours.

Participants are required to attend the entire 12 hours of training, in order to receive an OASAS Certificate of Completion.

There will be no tuition charge for this training.

Who Should Attend:

Addiction Treatment, Prevention, and Recovery Professionals.

How to Apply:

Complete the online application, and FAX or mail to the OASAS Learning and Development Unit by December 16, 2016.

FAX: 518-485-8041
